Schneider
Electric

Schneider Electric is leading the Digital Transformation of Energy management and Automation in Homes, Building, Data Centres, Infrastructure and Industries. With Global Presence in over 100 Countries, Schneider is the undisputable Leader in Power Management - Medium Voltage, Low Voltage & Secure Power and in Automation Systems. We Provide Integrated Efficiency.

HIOKI

Electrical Measuring Instruments lie at the core of Hioki business. It plays a vital role in the development of science, technology and industry. By providing such instruments Hioki helps in enriching the society of the future.

Weidmüller 

Together with our customers, we shape the digital transformation with products, solution and services for Smart Industrial Connectivity and the Industrial Internet of Things.

Iftikhar Hussain
C.E.O

By the grace of Allah Almighty, for our four decades, **Hammed Automation** has been a trusted name in the electrical industry. We specialise in sourcing and supplying premium quality **Low Voltage Switchgear, Power & Control Components**, and related electrical products - providing a **One Stop Solution** for the electrical needs of various industries.

We are an **Authorised Channel partner of Schneider Electric** for the past 15 years, and we were honoured to receive **the Sales Executive Award in 2023**. In addition, we were the **Authorised Distributer Of Hioki Japan** since 2017. **Hioki** an Industry-leading manufacturer of world-class electrical test and measuring instruments since 1935.

Arif Iftikhar
Managing
Director

Our Portfolio also include, **Weidmueller Industrial Automation Products**, a global leader known for high-quality **Terminal Blocks, AC/DC Power Supplies, Relays and SDP's**.

At **Hameed Automation**, we surpass the boundaries of merely supplying the products only, rather we render the services to our customers to the extent of their needs. Our **Team of Qualified Engineers**, is dedicated to providing exceptional **Customer Support and After Sales Service**, ensuring complete customer satisfaction. Our Customers value not only the quality and authenticity of our products but also the **Professional Relationship, Reliability and Trust**, that define every interaction with us.

Our Vision

Enhancing our reach to the customers by establishing offices and channel partners Network across the country.

Our Mission

To operate in an ethical way for the entire satisfaction of clients by delivering Quality and Reliable Electrical Components along with Professional Services at Competitive prices to meet their diversified needs.

CERTIFICATE

Schneider Electric accredits that

HAMEED AUTOMATION

Authorized Channel Partner

It is hereby certified that M/s HAMEED AUTOMATION is one of the authorized partners of Schneider Electric FZE. Their responsibilities cover marketing and promotion of LV distribution & Industrial Control Products.

Schneider Electric certified partners are trained on the latest offers, tools and standards. They are audited on a regular basis to ensure that they deliver adequate level of safety and quality.
